Sandra,

I hope you are doing well. Can you please assist me in submitting this request? I can't get into the system (or can I) since I didn't put in the original request.

I also wanted to upload the other completed documents that I have. How can I have access?

Thank you.

Hi,

That is not a problem just let me know through the system asap. Go to the website [specialevents.lacity.org](http://specialevents.lacity.org) and sign in then click on my requests. Click on your reference number then scroll down to the NOTIFICATION section and check the INVESTIGATOR box write your message then click post. Only an Investigator can input the closure. You will also need a petition for that street.

Karen,

I had a meeting with LAFD regarding the stage that is scheduled to be set up on 7th Street at Centre Street. If we do not have enough room to leave a 20 ft. fire lane, we may need to closed Centre Street between 7th and 6th. Would that be possible?

In my meeting with LAPD, they also thought it would be a good idea for crowd control.

Please advise.

Thank you,
